

Hello, this is a letter on behalf of \_\_\_\_\_.  
I've been challenged to purposefully identify 5 people to connect with, who are growing in their faith with God. Studies show that one of the best ways to grow in my faith, & stay connected to God through these years, is to connect with 5 older people also seeking Jesus. I'm honored to invite you to be part of my "Sticky Faith" web.

This doesn't mean you have to be perfect. It simply means, you'll commit to knowing how to be in prayer for me. Reach out regularly, to know what God is doing in my life. If you live near me, let's worship together sometimes. Discover my prayers, & be someone I can turn to for prayer/encouragement. Share your faith stories with me, even as they're happening.

We don't know what tomorrow holds, but I know I cannot take that journey alone. I'm hoping you'll consider being a part of what helps me stay in relationship with God, & encouraged during these formative years of my life. I look forward to offering myself to others in the same way someday.

If willing, simply sign below and give me a call. Let's talk in person as we begin this new adventure together. You can give me this sheet (make a copy for yourself if that helps!), and we can share our prayers together sometime soon. If you're unable, there's no hard feelings, just let me know so that I may continue seeking to fill my web. But please don't feel inadequate. As someone who desires the things of God – you're being equipped to be someone who can be part of my "Faith Web". I look forward to what God has in store...
